

BUDGET SUMMER LESSONS PLAN

Group class enrollment in the summer session is continuous, i.e. the student has to sign up for the whole session, same as during the academic year. As always, make ups are offered for timely cancelled lessons.

For students who would not be able to attend full summer session of group classes, there is an option to **sign up for a limited number of individual lessons**. This would allow you to decide on the budget you would like to spend on the lessons, and reserve the number of lessons that fit your budget.

We offer flexible enrollment for individual lessons, which means that the student is not obligated to attend the whole 10 weeks of the summer session. They can sign up only for the lessons they are able to attend. **Minimum requirement is 4 individual lessons**.

How to sign up:

1. **Choose the days and the times that work with your schedule** and contact us to check on teacher availability. **The lessons will be always on the same day of the week and same time, but you can choose the dates.**
2. Once we find the desired slot, you can make the tuition payment for the chosen number of summer lessons and reserve the slot. As always, slots are reserved on first paid first served basis.
3. **If you need to reschedule, that would not be a problem** – let the teacher or NMA know by 8 pm the day before the lesson, and the teacher will contact you about available make up times. \
