

BUDGET SUMMER LESSONS PLANS

Group Classes

Students attending group classes over the summer will be able to enroll into the whole session – 9 classes, or to take **a flexible enrollment signing up for a minimum of 7 classes of the summer session.** As always, make ups are offered for timely cancelled lessons.

Individual lessons

For students who would not be able to attend full summer session of group classes, there is an option to **sign up for a limited number of individual lessons.** This would allow you to decide on the budget you would like to spend on the lessons and reserve the number of lessons that fit your schedule and the budget. **Minimum requirement is 4 individual lessons.**

How to sign up:

1. **Choose the day and the time that work with your schedule** and contact us to check on teacher availability. **The lessons will be always on the same day of the week and at same time, but you can choose the dates.**
2. Once we find the desired slot, you can make the tuition payment for the chosen number of summer lessons and classes and reserve the slot. As always, slots are reserved on first paid first served basis.
3. **If you need to reschedule, that would not be a problem** – let the teacher or NMA know by 8 pm the day before the lesson, and the teacher will contact you about available make up times.
